COUNCIL OBLIGATIONS AND AGENDA REPORTS

Council has several obligations in relation to its Community Vision, Council Plan, Instruments of Legislation and Council policy. These are summarily considered in each Agenda report and further details are added as required. The obligations are as follows:

Community Vision 2040 (Community Vision | Greater Dandenong Council)

After consultation with the Greater Dandenong community on what kind of future they wanted for themselves and our city, the Greater Dandenong People's Panel developed a new Community Vision for 2040:

*The City of Greater Dandenong is a home to all.
It's a city where you can enjoy and embrace life through celebration and equal opportunity.
We harmonise the community by valuing multiculturalism and the individual.
Our community is healthy, vibrant, innovative and creative.
Our growing city is committed to environmental sustainability.
Welcome to our exciting and peaceful community.*

Reports in this Agenda will identify when any of the above principles are relevant.

The Council Plan 2025-29 (Council Plan 2025-29 | Greater Dandenong Council)

The Council Plan describes the kind of future the Council is working for, and how Council will do this over four years. The Council Plan has the following key strategic objectives:

- *A socially connected, safe and healthy city*
- *A city that respects and celebrates diversity, our history and the arts*
- *A city of accessible, vibrant centres and places*
- *A green city committed to a sustainable future*
- *A city that supports business, entrepreneurship, quality education and employment outcomes*
- *A Council that demonstrates leadership, responsible use of public resources, and a commitment to investing in the community.*

Reports in this Agenda will identify when any of the above principles are relevant.

The Overarching Governance Principles of the Local Government Act 2020

Section 9 of the *Local Government Act 2020* states that a Council must in the performance of its role give effect to the overarching governance principles. These are:

- a) Council decisions are to be made and actions taken in accordance with the relevant law;
- b) priority is to be given to achieving the best outcomes for the municipal community, including future generations;
- c) the economic, social and environmental sustainability of the municipal district, including mitigation and planning for climate change risks, is to be promoted;
- d) the municipal community is to be engaged in strategic planning and strategic decision making;
- e) innovation and continuous improvement are to be pursued;
- f) collaboration with other Councils and Governments and statutory bodies is to be sought;
- g) the ongoing financial viability of the Council is to be ensured;
- h) regional, state and national plans and policies are to be taken into account in strategic planning and decision making;
- i) the transparency of Council decisions, actions and information is to be ensured.

Also, in giving effect to the overarching governance principles above, a Council must take into account the following supporting principles:

- a) the community engagement principles (section 56);
- b) the public transparency principles (section 58);
- c) the strategic planning principles (section 89);
- d) the financial management principles (section 101);
- e) the service performance principles (section 106).

Reports in this Agenda will identify when any of the above principles are relevant.

The Gender Equality Act 2020

The *Gender Equality Act 2020* came into operation on 31 March 2021 and requires councils to take positive action towards achieving workplace gender equality and to promote gender equality in their policies, programs and services. The objects of the Act are as follows:

- a) to promote, encourage and facilitate the achievement of gender equality and improvement in the status of women; and
- b) to support the identification and elimination of systemic causes of gender inequality in policy, programs and delivery of services in workplaces and communities; and
- c) to recognise that gender inequality may be compounded by other forms of disadvantage or discrimination that a person may experience on the basis of Aboriginality, age, disability, ethnicity, gender identity, race, religion, sexual orientation and other attributes; and
- d) to redress disadvantage, address stigma, stereotyping, prejudice and violence, and accommodate persons of different genders by way of structural change; and
- e) to enhance economic and social participation by persons of different genders; and
- f) to further promote the right to equality set out in the Victorian Charter of Human Rights and Responsibilities and the Convention on the Elimination of All Forms of Discrimination against Women.

Council is obligated to think about how its programs and services affect different people and different communities and how we can avoid reinforcing unintentional inequalities. Reports authors must consider the requirements of the *Gender Equality Act 2020* and Council's Diversity, Access and Equity Policy when asking Council to consider or review any issues which have a direct or significant impact on members of the Greater Dandenong community.

Victorian Charter of Human Rights and Responsibilities

Council, Councillors and members of Council staff are a public authority under the *Charter of Human Rights and Responsibilities Act 2006* and, as such, are all responsible to act in accordance with the *Victorian Charter of Human Rights and Responsibilities 2006* (the Charter). The Charter is founded on the following principles:

- human rights are essential in a democratic and inclusive society that respects the rule of law, human dignity, equality and freedom;
- human rights belong to all people without discrimination, and the diversity of the people of Victoria enhances our community;
- human rights come with responsibilities and must be exercised in a way that respects the human rights of others;
- human rights have a special importance for the Aboriginal people of Victoria, as descendants of Australia's first people, with their diverse spiritual, social, cultural and economic relationship with their traditional lands and waters.

Given this municipality's diversity and inclusiveness, when developing or preparing a report for Council consideration, report authors are required to ensure their report is consistent with the standards set by the Charter.

Consideration of Climate Change and Sustainability

One of the overarching governance principles of the *Local Government Act 2020* is that the economic, social and environmental sustainability of the municipal district, including mitigation and planning for climate change risks, is to be promoted.

In January 2020, this Council joined a growing number of cities around Australia and declared a “Climate and Ecological Emergency” and committed this Council to emergency action on climate change. Council has developed a Climate Change Emergency Strategy and Action Plan 2020-30 to help the City of Greater Dandenong become a resilient, net zero carbon emission city with an active community prepared for the challenges of changing climate.

When developing or preparing a report for Council consideration, report authors are required to consider what impacts their issue has on Council's Declaration on a Climate and Ecological Emergency, Council's Climate Change Emergency Strategy and the requirements of the *Local Government Act 2020* in relation to the overarching principle on climate change and sustainability.

Related Council Policies, Strategies or Frameworks

Report authors will consider how their report aligns with existing Council policies, strategies, frameworks or other documents, how they may affect the decision of this report or are relevant to this process.

2 BUSINESS

2.1 ELECTION OF THE MAYOR

Responsible Officer: Executive Director Strategy and Corporate Services
Attachments: Nil.

Executive Summary

1. The *Local Government Act 2020* requires that a Mayor be elected and stipulates the methods by which that election must take place.
2. This report recommends that the 2025-2026 mayoral term be for a period of one year. Councillors will elect the Mayor at the meeting.

Recommendation 1

That the Mayor be elected for a one year term.

Recommendation 2

That Cr _____ be elected as Mayor for the 2025-2026 mayoral term.

Background

3. Sections 18 and 19 of the *Local Government Act 2020* set out the roles and powers of the Mayor.
4. The Mayor takes precedence at all municipal proceedings within the municipal district and must chair all meetings of the Council. In the normal course of events, the office of Mayor becomes vacant at the time and on the day of the next mayoral election. Any Councillor is eligible for election or re-election to the office of Mayor.
5. Section 26(3) of the *Local Government Act 2020* states that before the Election of the Mayor, a Council must determine by resolution whether the Mayor is to be elected for a one (1) or a two (2) year term.
6. Section 25 of the *Local Government Act 2020* outlines the procedures for electing a Mayor.
7. Section 25(3) of the *Local Government Act 2020* states that the Chief Executive Officer must chair the Election of the Mayor. It is the responsibility of the Chief Executive Officer to call for nominations for the position of Mayor. In the event that more than one Councillor is nominated for the position of Mayor for the 2025-2026 mayoral term, then Councillors present at the meeting must vote for one of the candidates by a show of hands.
8. Section 25(4) of the *Local Government Act 2020* states that the Mayor must be elected by an absolute majority.

9. Section 25(7) of the *Local Government Act 2020* states that absolute majority means the number of Councillors which is greater than half the number of the Councillors of a Council. At Greater Dandenong an absolute majority is therefore six (6).
10. In the event that an absolute majority is not obtained, a recount will be undertaken. If an absolute majority is still not obtained, Council may resolve to adjourn the meeting for a short time to discuss the matter further.
11. Section 4.16.10 of Council's Governance Rules provides that if an absolute majority cannot be obtained, the Mayor will be determined by lot.
12. After the election, the new Mayor will take the Chair for the remainder of the meeting.

2.2 ELECTION OF THE DEPUTY MAYOR

Responsible Officer: Executive Director Strategy and Corporate Services
Attachments: Nil.

Executive Summary

1. Section 20A of the *Local Government Act 2020* states that an office of Deputy Mayor may be established and it is the practice of Greater Dandenong City Council to elect a Deputy Mayor.
2. This report recommends that the 2025-2026 deputy mayoral term be for a period of one year. Councillors will elect the Deputy Mayor at the meeting.

Recommendation 1

That the Deputy Mayor be elected for a one year term.

Recommendation 2

That Cr _____ be elected as Deputy Mayor for the 2025-2026 mayoral term.

Background

3. Section 21 of the *Local Government Act 2020* sets out the roles and powers of the Deputy Mayor.
4. The Deputy Mayor must perform the role of the Mayor and may exercise any of the powers of the Mayor if the Mayor is unable, for any reason, to attend a Council Meeting or incapable of performing any duties of the office of Mayor. In the normal course of events, the office of Deputy Mayor becomes vacant at the time and on the day of the next election for the Deputy Mayor. Any Councillor (other than the Mayor) is eligible for election or re-election to the office of Deputy Mayor.
5. Section 27 of the *Local Government Act 2020* outlines the procedures for electing a Deputy Mayor. A Council must determine by resolution whether the Deputy Mayor is to be elected for a one or a two year term.
6. It is the responsibility of the Mayor (as they have taken the Chair for the Meeting) to call for nominations for the position of Deputy Mayor. In the event that more than one Councillor is nominated for the position of Deputy Mayor for the 2025-2026 deputy mayoral term, then Councillors present at the meeting must vote for one of the candidates by a show of hands.
7. The Deputy Mayor must be elected by an absolute majority. Section 25(7) of the *Local Government Act 2020* states that absolute majority means the number of Councillors which is greater than half the number of the Councillors of a Council. At Greater Dandenong an absolute majority is therefore six (6).

8. In the event that an absolute majority is not obtained, a recount will be undertaken. If an absolute majority is still not obtained, Council may resolve to adjourn the meeting for a short time to discuss the matter further.
9. Section 4.16.12 of Council's Governance Rules provides that if an absolute majority cannot be obtained, the Deputy Mayor will be determined by lot.

2.3 NOTING OF ALLOWANCES FOR MAYOR, DEPUTY MAYOR AND COUNCILLORS

Responsible Officer: Executive Director Strategy and Corporate Services

Attachments: Nil.

Executive Summary

1. It has been common practice for this Council to note the current allowances provided to the Mayor, Deputy Mayor and Councillors at this annual Council Meeting at which the Mayor and Deputy Mayor are elected.
2. This report recommends that the current allowances for the Mayor, Deputy Mayor and Councillors, along with the contents of this report, be noted.

Recommendation

That Council NOTES the contents of this report and the current base allowances for the Mayor, Deputy Mayor and Councillors.

Background

3. Section 39 of the *Local Government Act 2020* provides for the Victorian Independent Remuneration Tribunal (the “Tribunal” or “VIRT”) to make a determination setting the value of the amount of the allowance payable for Mayors, Deputy Mayors and Councillors. This determination must provide for Council allowance categories.
4. The Tribunal made its first Determination 01/2022 on the allowance payable to Mayors, Deputy Mayors and Councillors in March 2022. VIRT has made subsequent annual adjustments, with one commencing on 18 December 2022, one commencing on 1 July 2023, one commencing 1 July 2024, and one commencing on 1 July 2025.
5. Under these determinations, Greater Dandenong Councillor allowances are currently set as follows:

	Greater Dandenong City Council Base Allowances (Since 1 July 2025)
Mayor	\$142,661
Deputy Mayor	\$71,329
Councillors	\$41,992

6. Note 1: These allowances are inclusive of the 12% Superannuation Guarantee. Under Council’s Council Expenses, Support and Accountability Policy, Council will also provide the Mayor with the use of a fully registered, insured, maintained and fuelled Council vehicle for their mayoral role and for private use.

7. Note 2: Greater Dandenong has been classified as a Category 3 Council since July 2005.
8. The above are base amounts payable within a Category 3 Council under the VIRT Determinations.
9. The Tribunal is required to make annual adjustments to the values of the allowances set in its Determinations under section 23B of the *Victorian Independent Remuneration Tribunal and Improving Parliamentary Standards Act 2019*.

2.4 COUNCIL MEETING SCHEDULE 2026

Responsible Officer: Executive Director Strategy and Corporate Services
Attachments: 1. Proposed 2026 Meeting Dates (A 12238265) [2.4.1 - 1 page]

Officer Recommendation

That Council (as previously resolved at the 27 October 2025 Council Meeting):

1. **ADOPTS its Council business cycle to hold one (1) Council Meeting per month as set out in the schedule per Attachment 1; and**
2. **ADOPTS its Council business cycle for Council Briefing Sessions to a minimum of two (2) per month as set out in the schedule per Attachment 1.**

Background

1. Since its establishment in 1994, Greater Dandenong has conducted Council business on Monday evenings, generally holding two Council Meetings per month.
2. Recent State Government reforms to the town planning framework have reduced the number of matters requiring Council decision, providing an opportunity to simplify the meeting cycle.
3. From January 2026, Council will hold one Council Meeting per month and two Councillor Briefing Sessions per month. The revised briefing format will include:
 - One session dedicated to long-term strategic and policy matters.
 - One session focused on immediate business for upcoming Council Meetings.
 - Time allocated for mandatory professional development under the *Local Government Act 2020* and the *Local Government (Governance and Integrity) Regulations 2020*.
 - If a Monday falls on a public holiday, Council business will be held on the Tuesday.
4. Council retains discretion to schedule additional meetings when required.

Financial Implications

5. Reducing the number of Council Meetings will deliver minor operational savings, particularly through reduced staff and technical support costs for livestreaming. These savings will be met within the existing Governance Unit budget.

Legislative and Policy Obligations

6. The proposed schedule complies with the *Local Government Act 2020*, *Local Government (Governance and Integrity) Regulations 2020*, and Council's Governance Rules.

Conclusion

7. The 2026 meeting cycle provides a balanced and efficient framework for Council decision-making. It maintains transparency and accountability while allowing greater focus on strategic priorities and Councillor development.

8. The proposed schedule, detailed in Attachment 1, continues Council's commitment to good governance and effective community representation.

Councillor Liaisons will generally keep informed about the work and functions of the organisation and support the role of the organisation in accordance with Council policy or direction. If a Councillor chooses to stand as an office bearer of the organisation this is undertaken separately to the role of Councillor Liaison.
