1. Purpose

To establish a framework for the approval and installation of advertising, promotional and club signage by tenant clubs on Council's Sporting Reserves to ensure:

- signage installation is of an acceptable and safe standard.
- consistency in approvals to community groups displaying their sponsors advertising signs and to use interior walls of Council owned/managed buildings for club interior wall signage.
- clubs are not denied the opportunity to derive a reasonable income from reserve signage.
- facilities continue to be accessible and safe for use by all sectors of the community.
- the visual amenity of sporting reserves and open space is maintained.

2. Background

The City of Greater Dandenong currently has 26 recreation reserves containing active sporting facilities, in addition to five school sites.

Some reserves have additional "real estate" signage at the entrance to the reserve promoting the club, its activities and contact details. These signs usually contain advertising or promotional material of the agent sponsoring the club.

Greater Dandenong Policy

Some reserves also have advertising and promotional signage around field boundary fencing and signage affixed to infrastructure such as pavilions, scoreboards and coaches boxes.

Many reserves now have electronic scoreboards with the capacity to display advertising electronically during match times.

This policy acknowledges that sponsorship agreements incorporating advertising signage provides sporting clubs with an important source of income that helps support the provision of sporting activities and opportunities for the local community. The implementation of this policy will continue to support the fundraising efforts of clubs, whilst maintaining the visual amenity and aesthetics of Council's reserves.

Many existing pavilions have a variety of club signage on the interior walls of pavilions to recognise their members and the clubs' history. As Council redevelop and build new pavilions we need to be conscious that facilities will be shared by multiple tenants and the community, potentially at the same time.

3. Scope

This policy relates to all Council owned and managed recreation reserves with active playing /sporting surfaces and associated facilities located on those reserves, including sports grounds/fields/structures, pavilions, toilets, buildings and other infrastructure (e.g. scoreboards, coaches boxes, shelters and fencing etc.) and used on a formally allocated basis through a seasonal allocation/tenancy agreement, lease or license.

This policy excludes passive recreation reserves with no active sporting facilities and all sporting reserves located on department of Education Land unless otherwise specified in use agreement.

Sporting reserves located in Police Paddocks are required to abide by City of Casey signage requirements.

This policy does not cover naming rights for facilities.

Only tenant clubs located within the City of Greater Dandenong are eligible to apply to erect advertising, promotional and club signage.

This policy does not relate to Leisure Facilities.

Policy applies to signage which are exempt from the need for a planning permit as per clause 52.05-10 (Signs not requiring a planning permit) of the Greater Dandenong Planning Scheme.

Any sign which does not meet these exemptions will be required to obtain a planning permit.

To find out if a planning permit is required - applicants can contact Councils statutory planning team via the general customer service phone number.

4. Human Rights and Responsibilities Charter - Compatibility Statement

The Victorian Charter of Human Rights and Responsibilities has been considered in the preparation of this Policy but is not relevant to the content of the Policy.

permitted on Council's sporting reserves provided it conforms to the criteria set out in this policy and the City of Greater Dandenong Planning Scheme.

7.1 Policy Principles

The following principles underpin this policy:

- To allow opportunities, where appropriate, for sporting clubs to generate income that supports their activities.
- To discourage advertising and promotional signage that is visible from beyond the recreation reserve sites other than for identification purposes.
- To ensure that any interior signage is coordinated and maintained in an appropriate manner.
- To ensure signs are in keeping with the character of the recreation reserve.
- To encourage a coordinated approach to advertising where there are multiple user groups of recreational reserves and pavilions.
- To maintain a high level of coordination and public safety for signs on road reserves and within sporting recreation reserves.

7.2 Types of Signs

This policy recognises that signs which are erected on sporting recreation reserves owned or managed by Council generally fit within one of the following categories:

- Seasonal - advertising or promotional signage around field perimeter fencing, on coaches' boxes or scoreboards. Signage is to face inwards towards the playing surface. Signs may be erected on the outside of the fencing if facing the pavilion only. Signs are to be removed at the end of the playing season or tenancy, unless agreement is made between tenant clubs as per 7.3.3.

Also included is interior wall club signage, including photos, trophies, honour boards, sponsorship signage, unless agreement is made between tenant clubs as per 7.3.2.

- Temporary Seasonal - advertising or promotional signage or club identification signage erected or displayed on game days throughout the season and removed after the game/tournament including banners, A-frame signs and corflute signs.

Greater Dandenong Policy

- Electronic Scoreboards - advertising on electronic scoreboards can consist of promoting club and/or community events and activities. In addition advertising or promotion of sponsors on the electronic scoreboard can occur. All advertising and promotion of sponsors will require approval prior, including consultation with the Planning department. Audible sound from the scoreboards is not authorized without a planning permit.
- Electronic Signage - advertising or promotional electronic signage (except for scoreboards) is not authorized and will required a planning permit.

7.3 Criteria for Advertising and Promotional Signage

7.3.1 General Criteria:

- Written permission is to be received from Council's Sport and Recreation Department for the installation of any form of signage at a Council owned or managed reserve or pavilion.

7.3.2 Permanent Signs:

Reserve Identification Signs - a system for reserve identification signage (at the entrance to reserves or on the nearest main road) has been developed and is implemented by Council to ensure consistency and an appropriate quality of Council signage for open space. These signs are provided and maintained by Council.

Way Finding and Information Signs - a system to direct vehicles and pedestrians to various locations within a recreation reserve implemented by Council to ensure consistency and an appropriate quality of Council signage for open space. In these cases the available space is to be split evenly across all tenant clubs, no matter to what level they wish to have this signage.

This includes the immediate removal of graffiti, damaged and broken signs. If a club fails to do this and Council considers the sign unsafe, they will be removed at the club's cost and will be informed by Council.

7.6 Existing Advertising Signage

- Clubs are expected to meet the conditions outlined in this policy for all signage installed after the date of adoption.
