

FINAL CONCEPT PLAN

In response to the feedback received during the community consultation, a final design concept has been prepared for the 'Market Garden' and 'Wetland' themed playground. The final design concept will provide the basis for future funding applications as part of Council's City Improvement Program.

LEGEND

- EOW Extent of Works
- Future Pathway

SOFT LANDSCAPE

- Proposed Evergreen Trees
- Proposed Deciduous Trees
- Proposed Mulched Garden Bed
- Proposed Hydroseed Grass
- Proposed Grassed Mound

LANDSCAPE SURFACES

- Proposed Concrete Path
- Proposed Exposed Aggregate Path
- Proposed Concrete Stream Bed
- Proposed Crazy Pave
- Proposed Compacted Gravel
- Proposed Organic Softfall Mulch
- Proposed Rubber Softfall Leaves
- Proposed Rubber Softfall Vines
- Proposed Sand Pit

LANDSCAPE EDGING

- Proposed Concrete Edge

LANDSCAPE FURNITURE & FIXTURES

- Proposed Seats
- Proposed Boulders
- Proposed Shade Sail
- Proposed Picnic Table
- Proposed Bridge

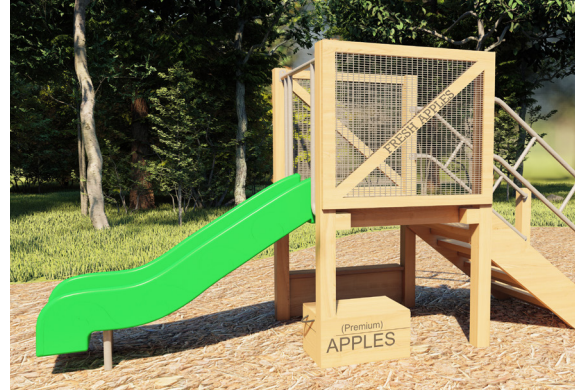

1 MARKET TOWER SENIOR PLAY ZONE

Balance along the ropes course or scale the climbing wall into the Market Tower, with two adventurous coloured slides and Apple and Lemon windows to peer through from up high.

2 JUNIOR PLAY ZONE

The junior play zone features a small slide & cubby play, rocker and balancing logs for young children. For the more adventurous there's Asparagus monkey bars and an inclusive trampoline zone.

3 MOTION PLAY ZONE

Swing and spin with all your friends. The Motion play zone features accessible spinner, towering basket swing and hexagon swings, including toddler seat and expression swing for fun together.

4 WATER AND SAND PLAY ZONE

Follow water along the creek bed, under the bridge and into the sand pit for a multi-sensory play experience. Imaginative play is the focus with carved rocks, carved timber sand table and boulders, covered by a protective shade sail.

5 PICNIC AND SOCIAL ZONE

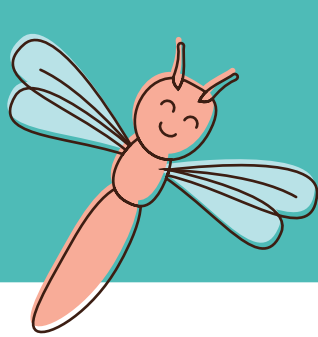

Shady trees, grassy mound and picnic tables provide a space to rest and relax. A perimeter walking path with shade trees and bench seats for fitness and leisure.

Disclaimer:  
The images provided on this plan are examples only. They do not represent the exact selection of play equipment that will be chosen for this playground.

## ACCESSIBILITY

Accessible elements include wide softfall rubber paths to accommodate wheelchairs and prams, accessible spinner, trampoline, basket swing and expression swing, plus musical and sensory elements with the rain wheel, gong drums and sand table. Also proposed are Braille / Auslan way finding signage throughout playspace.

## SENSORY

Sensory elements include musical elements, sand textures and nature play. Wet hands and feet in the stream bed, make sand pies in the sand pit, create a cubby and hide inside the custom Pear cubby frame, make music with the rain wheel and gong drums.

## SAND AND WATER PLAY

Follow water along the creek bed, under the bridge and into the sand pit for a multi-sensory play experience. Imaginative play is the focus with carved rocks, carved timber sand table and boulders, covered by a protective shade sail.

## CUSTOM

The Market Garden theme reflects the site's history and local context, bringing themes of fruit and vegetable to life through a range of custom play experiences. Pear cubby frame to hide and create, Lemon, Apple and Orange windows to peer through high in the Market Towers, Asparagus monkey bars to swing from, Pea-Pod carved sand table and rocks, all connected through twisting softfall rubber vines and leaves.

## AMENITIES

Three large shade sails, coupled with large, mature shade trees provide sun protection over the playground. Picnic tables and grassy mounds create places to rest with views over the reserve. Benches and seats are scattered throughout, with large stone boulders double as seats and balance trails.

## LANDSCAPE

Two grassy mounds provide views over the playground and reserve, which is planted with mature shade trees, and a mix of deciduous and evergreen for colour and foliage interest year round. Ornamental fruit trees continue the Market Garden theme, with Chinese Pistachio, Crab Apple and Olive.
