Sponsorship is a reciprocal arrangement with support to Council from a group or from Council to a group in return for the right to use a particular event, activity or program to achieve recognition that enhances mutually strategic objectives.

It is expected that the benefits of a sponsorship arrangement will create significance recognition of the City of Greater Dandenong and achieve the aspirations of the Community Plan. Priority will be given to Sponsorships proposals where Council's reputation and standing significantly enhance community outcomes.

Sponsorship offers Council the opportunity to be recognised as a strong 'corporate citizen' through support for events or programs whether they are international hallmark events, local, community or special events, festivals or local activities that enhance the City of Greater Dandenong, Council's strategic objectives and the attributes of community sustainability across the social, economic, cultural or environmental sectors.

Council will provide outgoing Sponsorships to external parties to support specific events and activities that meet the objectives of the Sponsorships Program.

Council will seek incoming Sponsorships from external parties to support specific Council events and activities where this meets the objectives of this Policy.
