

**NOTE:**

The principle purpose of the item **Reports from Councillors/Delegated Members and Councillors' Questions** on any Council Meeting Agenda is for Councillors to report on their attendance, observations or important matters arising from their liaison or representation with groups for which the Councillor has been formally appointed by Council. In accordance with the documented 'protocol' that applies to either liaisons or representatives, Councillors should raise matters of importance at this item. Other matters may also be reported.

**Councillor Liaison**

It is not essential for Council to be involved in these groups – Councillors are only involved when they have the interest, the time and the inclination.

**Protocols**

Councillor Liaisons act as a liaison point between the organisation and Council as a whole and provide advice to Council or the organisation when decisions or relevant policy matters are discussed. Councillor Liaisons will generally keep informed about the work and functions of the organisation and support the role of the organisation in accordance with Council policy or direction. If a Councillor chooses to stand as an office bearer of the organisation this is undertaken separately to the role of Councillor Liaison.
