

CONSTRUCTION UPDATE

SPRINGVALE BOULEVARD PROJECT
FEBRUARY 2022

The Springvale Boulevard Project will see a full upgrade of the road and footpaths located on Springvale Road between Balmoral Avenue and Windsor Avenue.

What we've done so far

Since our last update we have:

- Completed Stages 2 A, B, D and E of drainage works
- Started excavation of structural fill for the garden beds
- Completed the relocation of a gas main in stage 2D

Changed traffic conditions

During the works there will be changes to traffic conditions, however there will always be two lanes in each direction. Please be aware and look out for signage and traffic controllers.

Parking

Parking bays along Springvale Road will be temporarily unavailable to allow the project team to conduct the works safely.

Parking is available on the 'Number 8' Balmoral Avenue multi-deck carpark and in the Windsor Avenue car park.

Working hours

Most of our works in February will be day works and undertaken between 7am and 5.30pm Monday to Friday.

Occasionally, night works will take place between 6pm and 6am, Sunday to Thursday. We will notify you ahead of any night works that need to occur.
