

LEGEND

REMOVED:

- 1 Remove cricket nets.
- 2 Remove and relocate existing toilets and cricket nets. Existing toilet to remain until new pavilion with public toilets is constructed. Develop new carpark following toilet removal
- 3 Remove roadway loop and replace with shared trail/pedestrian viewing area looking towards Oval 4 and include bus and car parking

PROPOSED:

- 9 Carpark and bus parking relocated to allow for the removal of road loop as shown to allow for potential future expansion of Gloria Pyke stadium. Player shelters to be removable.
- 10 Provide lighting to car park for pedestrian safety and access, and formalise the carparking in this precinct to segregate the parking areas from open space
- 13 Provide new pavilion oriented to both Oval 1 and Oval 2 with surrounding pedestrian precinct. Incorporate new public toilets into pavilion and potential area for parking
- 15 Provide enhanced network of cycle/pedestrian paths within reserve, minimizing vehicular traffic and making more suitable for community use, park runs etc. Extend the Djerring Trail from Eastlink to Bennet Street and provide lighting along new path system

Sheltered seating with barbeques
