

# Community Consultation

## Proposed New Local Playground

# Springvale Reserve

1 Ericksen Street, Springvale

## PROPOSAL

Greater Dandenong City Council is planning to construct a new local playground at Springvale Reserve as part of the delivery of the Springvale Reserve master plan works.

The new local playground will include a diverse range of equipment and we want your feedback and ideas.

Your ideas will help shape the design of this new playground.

## Examples of suggested playground equipment

## Ideas and opportunities

- 1 Play activity tower with elements such as:
  - climbing rope nets, monkey bars, flexible gangways, ropes and ladders
  - platform decks at different heights with climbing and accessible options
  - 1 large and 1 small slide
  - integrated play panels such as a shop front, driving wheel and interactive elements - noughts and crosses, sliding elements
- 2 Basket swing
- 3 Quad swing (includes toddler seat and accessible seat)
- 4 Rocker zone
- 5 Wheelchair accessible spinner
- 6 New shelter including; picnic tables and wheelchair accessible BBQ
- 7 Cubby house
- 8 Tree Planting
