Project overview:

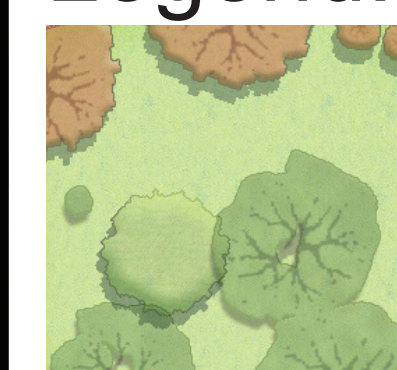

Have your say on the draft master plan for Springvale Reserve.

We want your feedback on proposed ideas and any suggestions you have. Your ideas and feedback will shape the future of Springvale Reserve.

Opportunities to improve the park include:

1. Constructing a new local playground
2. Providing more informal recreational facilities, such as fitness equipment, picnic facilities, shelters and seating
3. Introducing more walking paths to link all areas of the reserve
4. Improving the dog off-leash park with a shelter and tree planting
5. Greening the park with new tree planting
6. Providing a new car park to service the netball courts, cricket nets and match day games
7. Constructing two new netball courts for training and competition with lighting and a public toilet
8. Upgrading the sports oval lighting to 100lux
9. Installing boxes for coaches and players
10. Upgrading the Springvale social pavilion, the Springvale Reserve grandstand and change-rooms
